1.1 Preamble

This Agreement is made and entered into July 1, 2019 by and between the BOARD OF EDUCATION OF DANVILLE COMMUNITY CONSOLIDATED SCHOOL DISTRICT NO. 118, Vermilion County, Illinois, hereinafter called the “Board” and the “INTERNATIONAL UNION OF OPERATING ENGINEERS, LOCAL 399, AFL-CIO,” hereinafter referred to as the Union.

WHEREAS, it is the desire of both parties to this Agreement to avoid disputes, and realizing that they have a common interest in the general welfare of the boys and girls of the public school system of District 118; and

WHEREAS, they desire to bargain collectively, with respect to wages, hours, and working conditions of assistant managers, kitchen helpers, and kitchen monitors.

The parties stipulated and agree as follows: It being specifically understood and agreed that all provisions herein are subject to all provisions and requirements of the School Code, the statute pertaining to State employees and other statutes of the State of Illinois. It is further understood that if any provision is held or found to conflict with the law or regulations relating thereto, said provision shall not be binding upon either party hereto.

1.2 Recognition

The Board agrees to recognize the Union as the sole and exclusive bargaining agent for assistant managers, kitchen helpers, and kitchen monitors, herein referred to as employees.

1.3 Provisions

A. The terms and conditions set forth in this Agreement represent the full and complete understanding and commitment between the parties hereto. The terms and conditions may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of the parties in a written amendment executed according the Provisions of the Agreement.

B. It is mutually agreed that the Board reserves all rights not expressly covered or restricted by the terms of this Agreement.

C. Should any Article, section or clause of this Agreement be declared illegal by a court of competent jurisdiction, said Article, section or clause, as the case may be, shall be automatically deleted from this Agreement to the extent that it violated the law. The remaining Articles, sections and clauses shall remain in full force and effect for the duration of the Agreement if not affected by the deleted Articles, section or clause.

D. The Board shall remain vested with all management functions, including the full and exclusive control, direction, and supervision of operations and the working force.

E. The term employee when used hereinafter in this Agreement shall refer to all employees represented by the Union in the Bargaining Unit as determined in Article I, Section 1.2.

F. The term "full time," when used hereafter in this Agreement shall refer to all employees who work 600 hours per year or more; and the term "part-time" when used in this Agreement shall refer to all those who work less than 600 hours. Employees working 599 hours or less are considered part-time employees.

Article II – Board/Union Rights

2.1 Union Membership

Employees covered by this Agreement shall have the right to join and assist the Union.

2.2 Deduction of Union Dues

It is agreed that Union dues will be deducted from an employee's pay after written authorization from the employee. The Union agrees to hold the Board harmless from any claim or damage arising from said deduction.

2.3 Right to Representation

When an employee is required to appear before the Board or any Administrator concerning any matter which could adversely affect the continuation of that employee in his/her position of employment or the salary increment pertaining thereto, the employee shall be given a minimum of twenty-four (24) hours' notice of the reasons for such meeting, except in the case of emergency as determined by the Superintendent, or his/her designee, and shall be entitled to have a representative of the Local Union to advise him/her during such meeting.

2.4 Copies of Board Minutes

The Board agrees to make available via the District's website electronic copies of the official minutes of each official open meeting of the Board which shall include agenda, enrollment data, instructional programs, business reports, non-privileged personnel information, annual budget, and the annual audit. The Union realizes that enrollment data may not be in the Board minutes on a monthly basis.

2.5 Employee Uniforms

Food Service employees working greater than four (4) hours daily, will be issued a uniform consisting of five (5) shirts and five (5) aprons. Employees working less than four (4) hours will be issued five (5) shirts and five (5) aprons. Uniforms will be issued upon being hired, or within a reasonable period, thereafter, based on availability.

Employees are expected to wear uniforms while on duty and keep the uniforms clean and in good condition, so as to minimize the number of additional uniforms needed during the employee's period of employment in the district. In the event a shirt or apron is damaged during work hours, it is the responsibility of the employee to notify his or her manager prior to the end of their shift. It will be at the discretion of the area supervisor to replace the uniform at district cost. Failure to notify will result in the employee being responsible for replacement. Additional uniforms will be available for purchase at district cost. Uniforms will be issued at the beginning of each school year, or employment, based on the employees work schedule for the year.

ARTICLE III – Compensation

3.1 Wages

Base Wage Rate: The base hourly wage shall be that set forth in the Rate Schedule attached as Exhibit A and shall apply through the term of this Agreement.

The District's fiscal year is from July 1 to June 30. Employees assigned to a position after September 30 will not be credited a full year of employment.

An employee serving on a jury, or called for jury duty during his/her regular work day, shall (1) receive his/her regular pay and sign over any jury pay to the District or (2) he/she shall relinquish his/her regular pay and retain the jury pay.

ARTICLE IV – Insurance

4.1 Health Insurance

The Board shall provide single health insurance coverage for full-time employees and family health coverage (if such employees so elect) under a plan selected in accordance with the Collective Bargaining Agreement between Board and Danville Education Association.

Employees will pay \$15.00 per month for single coverage for the 2019-2020 school year, \$20 per month for single coverage for the 2020-2021 school year, and \$40 per month for single coverage for the 2021-2022 school year. Family coverage shall be \$325.00 per month, regardless of the number of dependents, for the duration of this contract.

The retired employee is responsible for keeping premium payments current.

4.4 Term Life Insurance

The Board shall provide term life insurance for each employee in the amount of \$25,000 until retirement. The premium will be paid by the Board. The Board shall provide optional group life and group accidental death and dismemberment (AD&D) insurance in the amount of \$15,000 as provided by the Board and shall be available under the terms and conditions of such plan at the employee's option and expense. Seventy-five percent (75%) participation is required. Payment for such optional insurance shall be made through payroll deduction.

4.5 Dental Insurance

The Board will offer Dental Insurance coverage. Payment for this optional coverage shall be the responsibility of the employee and shall be made through payroll deduction.

ARTICLE V - Reduction of Personnel

5.1 Seniority

"Seniority" and "Length of Continuous Service in the District" as utilized in Section 10-23.5 of The School Code will be defined as years of continuous service as an employee within the

bargaining unit based upon the first date of employment determined by the minutes of the Board of Education.

Time within statutory recall periods and during leaves of absence, shall not be counted in determining seniority and shall not constitute an interruption of service. In the event the seniority date is equal between two or more employees, seniority will be determined by lottery.

5.2 Seniority List

By February 1, annually, the Board will publish a seniority list by category of employees. Employees shall be placed in either the assistant manager category, kitchen helper category, or kitchen monitor category.

An employee's failure to make a timely objection to his/her placement on the seniority list shall be deemed an acceptance of the ranking and the employee cannot thereafter challenge his/her seniority until the following school year.

5.3 Reduction in Force

If non-probationary employees are removed or dismissed as a result of a decision of the Board to decrease the number of employees or to discontinue some type of educational support service, the probationary employees within the designated category shall be dismissed first; thereafter, non-probationary employees with the shortest length of seniority in the designated category shall be dismissed next.

In the event of a reduction in work force, assistant managers may bump kitchen helpers, provided that they have the seniority, but kitchen helpers may not bump assistant managers. Part-time kitchen helpers cannot bump full-time kitchen helpers, but full-time kitchen helpers may bump part-time kitchen helpers.

5.4 Recall Rights

If the employer has any vacancies for the following school term or within one (1) calendar year from the beginning of the following school term, the positions thereby becoming available within the designated category of position shall be tendered to the non-probationary employees so removed or dismissed from the category or position so far as they are qualified to hold such positions in order of seniority.

5.5 Loss of Seniority

An employee's seniority shall be lost and terminated, and the employment relationship shall be terminated if:

- a. the employee is terminated for reasons other than a reduction in work force.
- b. the employee quits or resigns for any reason.
- c. the employee is not recalled after a reduction in force.
- d. the employee fails to report to work within five (5) workdays after receipt or refusal of a certified letter to return to work after reduction in force if the letter is sent to the employee's last known address provided by the employee.
- e. the employee fails to report to work after the end of an approved leave without prior notification and employer approval.

- f. the employee fails to report to work for three (3) consecutive days without advising the employer of the reason for the absence or the anticipated return to work date and cannot provide documentation to prove that an emergency prevented the employee from contacting the employer.

ARTICLE VI – Assignments, Vacancies, Transfers

6.1 Assignments

New hires shall be subject to a probation period of ninety (90) working days. Employees who fail to perform satisfactorily during the probation period shall be terminated. A current employee promoted to assistant manager shall be on probation ninety (90) working days. If he/she does not qualify within that time, he/she shall be placed in a position at the discretion of the Director of Food Service. The placement will be the same job classification at the time the employee applied for the job posting.

6.2 Vacancies and Postings

An employee may apply for any job vacancies within the bargaining unit. If an employee is not selected for the position, upon the employee's request, the employer shall provide the employee with the reason for not being selected.

Except in case of emergency, all job vacancies shall be posted for a minimum of five (5) working days. The Board may temporarily fill the job during the time it is necessary to select a permanent employee.

6.3 Transfers

Voluntary: Any employee may apply for transfer to another building where a vacancy occurs or for a position for which (s)he is qualified by filling out the District transfer form.

Involuntary: The Superintendent or his/her designee shall retain the right to involuntarily transfer an employee to a different building, either temporarily or permanently. Employees involuntarily transferred will be given in writing the reasons for the transfer. Except in an emergency, the employee will be given a minimum of ten (10) days' notice before the effective date of the transfer. An employee will be given the opportunity to resign if the employee considers the assignment unsatisfactory.

ARTICLE VII – Grievance

7.1 Definition

Any claim by the Union, any employee, or group of employees that there has been a violation, misinterpretation, or misapplication of the terms of this Agreement shall be a grievance.

7.2 Conditions

A. As used in this Article, the term "days" will mean days on which the school is in session or during winter, spring, and summer vacation days when the business office is open.

B. It is agreed that the investigation, handling or processing of any grievance by the grieving employee or Union representative shall be conducted with no interference or interruption whatsoever of the food services and related work activities.

7.3 Grievance Procedures

Step 1 The employee shall verbally present their grievance to their immediate supervisor within five (5) working days after the occurrence.

Step 2 Failing a satisfactory settlement in Step 1, the employee or the Union shall reduce the grievance to writing within ten (10) days of the event giving rise to the grievance, making four (4) copies. The written grievance shall specify the articles(s) of the Agreement that are alleged to have been violated. It also shall state a complete explanation of the facts giving rise to the grievance.

The grievant shall retain one (1) copy and submit the original and two (2) copies to their immediate supervisor. The immediate supervisor shall give a written response within ten (10) working days by returning one copy of the grievance with their response to the employee and one to the Union. The immediate supervisor shall retain the original copy and send one to the union.

Step 3 If the grievance is not resolved at Step 2, the grievant and/or the Union may refer the written grievance to the Director of Food Services within five (5) days after the receipt of the Step 2 response. The Director of Food Services shall arrange for a meeting to take place within five (5) days of the Director's receipt of the appeal. The Director of Food Services, the immediate supervisor, the employee and Union representative, if desired by the employee, shall discuss the grievance. The Director of Food Services shall give the employee his/her written response within five (5) school days of the meeting.

Step 4 If the employee is not satisfied with the answer in Step 3, the employee shall appeal the grievance to the Superintendent within five (5) days of receipt of the written response. The Superintendent shall call a meeting within five (5) days with the employee, the Union representative, if desired, and any school representative desired by the Superintendent. The written response of the Superintendent shall be given to the employee within five (5) days of the meeting.

Step 5 If the Union is not satisfied with the response from the Superintendent in Step 4 or the time limits expire without issuance of the written reply, the Union may submit the grievance to final and binding arbitration through an arbitrator of the Federal Mediation and Conciliation Service. The arbitrator will be mutually agreed upon by the Board and the Union. The Union must make a written request for arbitration within ten (10) days after receipt of the response in Step 4 or expiration of the time limits for the response in Step 4.

Such arbitration shall be under and in conformance with the rules of the Federal Mediation and Conciliation Service.

The arbitrator shall be notified of his/her selection and shall be requested to set a time and place for the hearing, subject to the availability of Board and Union representatives.

The arbitrator shall render a decision and remedy in writing according to the rules of the Federal Mediation and Conciliation Service. The fees and expenses of the arbitrator shall be divided equally between the Board and the Union. Each party shall be responsible for compensating its own representatives/witnesses.

The arbitrator shall have no right to amend, modify, nullify, ignore, add to or subtract from the provisions of this Agreement, but the arbitrator shall have the right to award remedies that are appropriate and just.

The arbitrator shall consider and decide only the question of fact as to whether there has been a violation, misinterpretation, or misapplication of the specific provision of this Agreement based on the specific issue(s) submitted to the arbitrator by the parties in writing. The arbitrator shall have no authority to make a decision on any issue not submitted or raised.

7.4 No Reprisals

It is agreed that no reprisals shall be taken by the Board or the Administration against any employee due to their participation in a grievance.

7.5 Withdrawal

A grievance may be withdrawn at any level without establishing a precedent and, if withdrawn, it will be treated as though it was never filed.

7.6 Time Limits

The failure of an employee or the Union to act within the time limits set forth will preclude further appeal of the grievance. Upon failure of the Employer to meet the time limits prescribed in this Article, the grievance will be advanced to the next highest level. Time limits specified may be extended by mutual written agreement.
