Track & Field 2025

All athletes participating in track and field need a pair of running shoes (non-spikes). Running shoes provide cushioned support to help minimize injury. *Basketball shoes are not recommended.*

Track spikes are considered **optional**. Some athletes may choose to compete in spikes. However, athletes *MUST* have running shoes (non-spikes) for practice. We do not always practice on spike-friendly surfaces. In addition, continually running in spikes may lead to injury, as they do not provide the support running shoes do.

KNOW BEFORE YOU BUY:

Running Shoes (Required):

A cushioned running shoe is made to feel comfy and soft when you run. It has special foam or gel inside to help protect your feet and legs from hard impacts.

Sprinter Spikes (Optional):

Sprinter spikes typically have no cushion in the heel and have a distinct round look on the heel. Some brands will include sprint in the name of the shoe.

These are typically used for the 100m, 200m, 400m, and hurdles. They can also be used for jumps.

Distance Spikes (Optional):

Distance spikes typically have noticeable cushioning in the heel and work well for all distances. The distance spike may also be called a cross country or XC spike.

These are typically used for the 400m, 800m, and 1600m. They can also be used for jumps and sprints.

Sweetheart Sneaker Ball

- ★ February 14th 6-8pm in cafetorium.
- ★ Dress in your best and wear your sneakers.
- ★ Cost \$5 (Tickets sold Feb.3rd-7th at lunch, no tickets sold at door.)

Nurse Notes

8 th grade parents:

It is not too early to get a freshman school physical. All students entering the 9th grade need a new physical.

Having completed this ahead of time helps successful transition into Danville High School.

Please know, our school-based health clinic, Southern Illinois Healthcare Foundation, better known as SIHF, is always available for our D118 students. SIHF is perfect for physicals, vaccines, illnesses and minor injuries.

For more information you may contact them at 217-920- 0168.

Starfish don't have bodies. Along with other echinoderms (think sea urchins and sand dollars), [their entire bodies are technically classed as heads.](#)

BE SAFE

IF YOU FEEL SICK STAY HOME (IT'S NOT PERSONAL)

Fever 100° or higher, vomiting or diarrhea in the last 24 hours, lice, having a known infectious illness or rash, eye drainage that cannot be maintained properly, having an ER visit within the past 24 hours.

Cold/flu season is among us. If you are not sure when to keep your student home, please call the school nurse at the number below.

A BETTER YOU

Is It a Cold ... or the Flu?

Uh oh. You're getting that achy feeling in your joints, your throat is scratchy, and you can't seem to get warm. There's no doubt you're getting sick, but is it a cold or the flu—and does it even matter? "The flu generally comes on more quickly and body aches are a prominent feature," says **Matt Nimer**, a physician assistant specializing in family medicine at University of Utah Health Care. "The flu can cause other health issues, so it helps to know the difference." Here's a quick guide.

Symptoms	Cold	Flu
Body aches	Not usually	Almost always, often severe
Congestion, runny nose, sore throat, sneezing	Almost always	Sometimes
Exhaustion	Sometimes, but never extreme	Almost always, usually extreme
Fever	Not usually	Almost always
Headache	Sometimes	Usually
Location of symptoms	Above the neck	Entire body
Typical duration	About a week	One to three weeks

Doc or Not?

"If you think you have a cold, in most cases it's OK to treat symptoms and wait it out for a week," Nimer says. But if your condition worsens or you think you have the flu, visit your doctor right away. "There are prescription medications that help, but they need to be taken within 48 hours of symptom onset."

Builders Club

The North Ridge Builders Club is preparing for a busy second semester of school and community service projects.

We are still collecting General Mills Box Tops for Education through their app. Please add the app to your phone and start scanning your receipts. Contact Mrs. Delzell if you need information about how to use the app or if you need a list of eligible Box Top products. Money collected from the General Mills Box Tops for Education Program is used to help fund our school and community projects.

The Builders Club continues to oversee the NRMS paper recycling program.

In February, we will continue making Valentines for Veterans. The valentines will be given to the veterans at our local VA Illiana Health Care System.

Our next meetings are:

Wednesday, February 5, 2025

Wednesday, February 19, 2025

Wednesday, March 5, 2025

*All meetings are at 8:15 A.M. in the North Ridge library

*If you have questions, all club information and news is posted in our Builders Club Google Classroom. You may also contact Mrs. Delzell and/or Mrs. Leemon at North Ridge.

We are still recruiting new members. Please contact us if your child is interested in joining the Builders Club. As always, thank you for your support!

STUDENT COUNCIL

Meeting: Thursday, February 6, 2024

January Students/ Employee of the Month

Carlos Williams-8th Grade

Carlos is always on time for class. He works very hard in class and does his e-learning work as well. He has a good sense of humor. His grades are good, with lots of A's.

TyEl Brigham-8th Grade

TyEl is a prominent player in her Orchestra class. In the viola section, she is somebody who her peers rely on to help them through their music. She is a confident and proud viola player who is also musically inquisitive. She has even began composing music which she has shared with me. In addition, she is a hardworking student who is always positive and strives to always do her best.

Erwin Watson-7th Grade

Erwin is always incredibly positive, helpful, and kind. He comes to class prepared to work every day and strives to do his best. He also goes out of his way to find ways to help his fellow classmates and teacher, often offering to stay after the bell rings to help clean or rearrange desks.

Ayress Boyd-Williams - 7th Grade

Ayress is always positive, respectful, and ready to work. She never complains and doesn't allow herself to be pulled into drama or chaos of classmates

Mckenzie Richardson- 8th grade Social Studies

Miss. Richardson joined North Ridge in a time of need. Miss Richardson is doing a fantastic job in the classroom and great addition to North Ridge. She has taken on a difficult role and accepted the challenge gracefully. She has creative and fun lessons for her students. She sets high expectations and wants the best for her students. She is great addition to North Ridge.
