## Nurse's Notes

If your child has any special health needs or problems, this should be communicated to me. This information is kept confidential, and it can be very important to a successful experience in school.

Examples of such needs are:

1. Food Allergy
2. Bee sting allergy
3. Allergy to any other substance
4. Difficulty with vision, hearing or speech
5. Need for medication during the school day
6. Need for special aids such as crutches, walkers, or wheelchairs, either on a temporary or permanent basis.

**Gabi Ingold, RN 217-444-3408  
or email**

**[ingoldg@danville118.org](mailto:ingoldg@danville118.org)**

**Also, it is not too early to get  
your 8th graders scheduled for  
their freshman physical.**

# LIVE BUS TRACKING

ParentView gives you direct access to the status of your child's bus. Whether deciding the best time to meet at the stop, or seeking detailed delay notifications, ParentView gives you the information you need to plan your day and stay connected.

**INSTANT DISTRICT NOTIFICATIONS**

**PARENT SUPPORT**

**KNOW WHERE THE BUS IS**

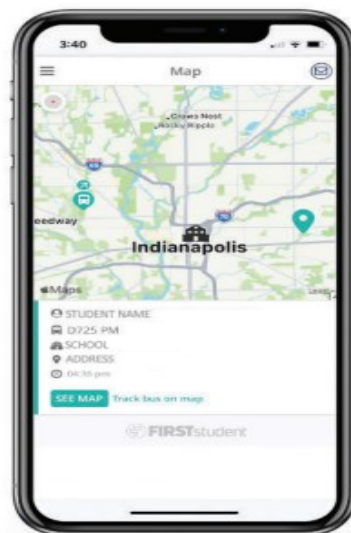

**DISTANCE NOTIFICATIONS**

**VIEW TRACKING STATUS**

**MULTIPLE KIDS - ONE APP**

District Code: U93R

## How it works

ParentView tracks the bus on the map and allows you to set up a customizable geofence around your pick-up/drop-off location, so you can be alerted when the bus is close. Getting started with FirstView is simple. First download the app from Google Play or the App Store, register for an account, and enter the required code(s). To start tracking:

**1**  
Choose Your Student's Route

**2**  
Drop a Pin and Set Up the Geofence

**3**  
Set Up Alert Notification Hours

**4**  
Track the Bus and Receive Alerts

NOTE: Many of our systems and tools integrate heavily with data gathered from your District, allowing us to provide accurate reporting and a customized approach. Because these systems rely on unique information about your students and routes, they will not be fully functional on day one. FirstView typically requires one to three months to integrate and sort your data effectively.

Caring for Students. That is our First priority.

## Attendance

Our mission in District 118 is to promote school success and nurture lifelong learners. We hope to see all our students attend daily.

**Parent or Guardian please call 217-444-3404**

**School hours are 9:00 AM to 3:45 PM for our students**

Your cooperation is appreciated.

## School Counselor's Corner

The North Ridge Guidance Counselors are here for your students. Our primary goal is for all students to have a safe and prosperous school year. We help with academic support such as organization and grades, but we can also support your student with social/emotional needs and mental health such as anxiety, depression, bullying, communication, friendships, and problems at home. We also work with families and teachers to create or maintain a 504 plan when necessary. If you have any questions regarding your student's needs, please reach out to one of us.

Home Interventionists are liaisons to building administrators, teachers, and community service agencies. The Home Interventionists also conduct several activities such as behavioral interventions, small groups, mediations, monitoring attendance, student support, and connecting families to needed resources. Be sure to check out the Family Resource Center on District 118 website ([www.danville118.org](http://www.danville118.org)) under the Students & Parents tab.
