Logging into Google Classroom

Open Google Chrome, and type in clever.com/in/danville

Your username is your first name, then a dot, then your last name. There are no spaces, and they are all lowercase letters.

Your password is password1, all lowercase as well.
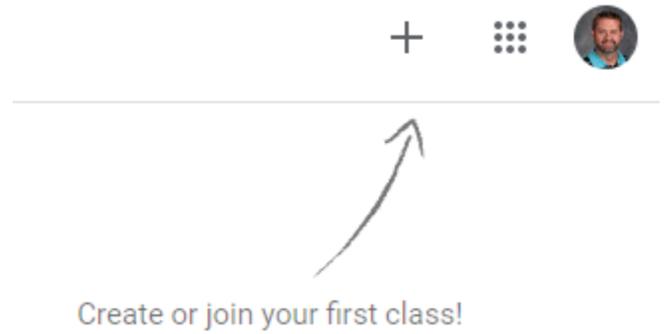

Click Login, and you will see icons for the things you need, like iReady or Google Classroom.
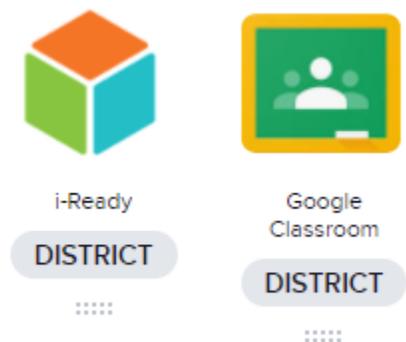

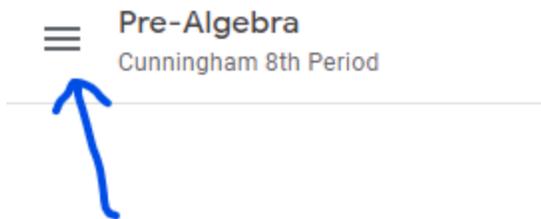

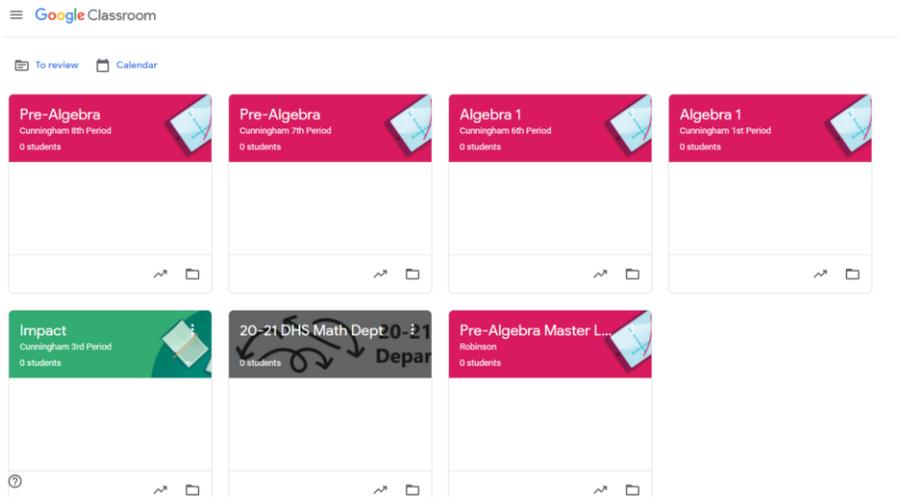

Keep Going to the next page

Once you click on Google Classroom, you will see this icon at the top right-hand corner. Click the "plus" to add your classes. You will need the class codes that you received from your teacher or the school.

Create or join your first class!

Once you have add all your classes, it will look something like this when you login. Just click on a class.
