# **Inclement Weather Plan for WINTER WEATHER**

All Meade Park students will be bringing home a packet of work and have access to Google Classroom. This is not homework for them to complete. It is an asynchronous packet in case school is cancelled due to inclement weather. Please keep this packet in a safe place at home. In case of an inclement weather day, we will send more information on Class Dojo and/or Google Classroom when needed.

## ATTENDANCE IS IMPORTANT!

In order for all student to get the best education possible, they must be in attendance and on time every day. Students learn best if they are present for instruction on a consistent basis. If your child is sick please call the office at 217-444-1960 to report the absence.

Students who are absent will automatically receive a phone call if they are not already excused for the day by phone call or note. If your child misses the bus and needs a ride call

Mrs. Johnson 217-444-1960

With flu season upon us, the district continues to work to keep all children healthy. Everyone is doing their part:

- Custodial staff is working diligently to clean all surfaces including water fountains, door handles, and desks.
- Staff is modeling and teaching hygienic coughing, sneezing, and nose blowing.
- Teachers encourage hand washing and disinfect surfaces and materials.
- Nurses are working with parents to send students home and make sure they are well enough to return.

### **How can you help?**

- Please continue to teach your children proper hand washing and how to cover a cough or sneeze.
- Remember it is very important for your child to remain home until they are fever-free for 24 hours, without the use of a fever reducer (Tylenol or Ibuprofen).

If you have any questions regarding Influenza A, recommendations for treatment of symptoms, or general health information, please don't hesitate to call the school nurse.
