First Week Fun!

Fun Continued!

Fun with Announcements!

Mrs. Benjamin has had her Problem-Solving Club students begin piloting a new system of daily announcements at Meade Park this year. These students (and teacher) spend their lunchtime practicing and recording video announcements for the entire building to watch every day at 8:15 am. These announcements include important information about the day, current AVID strategies being highlighted, the daily menu, and a quick SEL reminder. So far, our students have loved the change. Students in all fourth grade classes agree it's fun to watch their friends on camera.
