D118 Ownership in Education

The Danville District 118 School Board shares the same values and beliefs as you when it comes to protecting the safety, health and welfare of our students and staff. To maintain their welfare, it me necessary at times to discipline students whose conduct negatively affects the well-being of our schools. Our 2024-25, Ownership in Education Handbook outlines the expectations for students in our schools, on our busses, and during our extra-curricular functions. This year, the Ownership in Education will not be printed, but instead is available on our schools' and district's website at <https://www.danville118.org/domain/325> The handbook will be reviewed with every student at school and we encourage to discuss the handbook with your child(ren).
