SOUTHWEST'S MONTHLY NEWSLETTER

WHAT ARE YOU THANKFUL FOR?

This November I am thankful for my family as well as my Southwest family. As a school, we continue to learn and grow together every day. I am thankful for that.

Staff and students continue to work on PBIS expectations: We are safe. We are kind. We are responsible. Please help us by reminding your child(ren) how important it is to be safe at school. In order for our students to be responsible AVID students, we must practice being safe at school. Students are reminded to keep both their hands and their feet to themselves. I have been complementing students for the past few weeks, as we can see that they are learning and growing.

We have a lot of holidays this month and several weeks with days off. Please take a moment to review this month's calendar.

I am hoping to see you all this week at Conferences.

Take care,

SOCIAL WORK NEWS

Hello Southwest families!

I'd like to take the chance to update you on services that I provide to our students and families. As a school social worker, I strive to make sure your students have all they need to be successful at school and beyond. To do this, I provide individual and group counseling, coordinate resources like food and clothing, help during crisis situations, coordinate 504 plans, and work with students who have IEPs. Please contact me anytime with questions or concerns you have regarding your student's wellbeing.

Erica Davis is our social work intern this year. She will be working with students and helping with all the activities above!

REMINDERS FROM NURSE HIGH

Special Health Needs

If your child has any special health needs or concerns this should be communicated to me. This information can be very important to a successful experience in school. Examples of such needs are:

1. Food Allergy
2. Bee sting allergy
3. Allergy to any other substance
4. Difficulty with vision, hearing or speech
5. Need for medication during the school day
6. Need for special aids such as crutches, walkers or wheelchairs, either on a temporary or permanent basis.

IS MY CHILD TOO SICK TO GO TO SCHOOL?

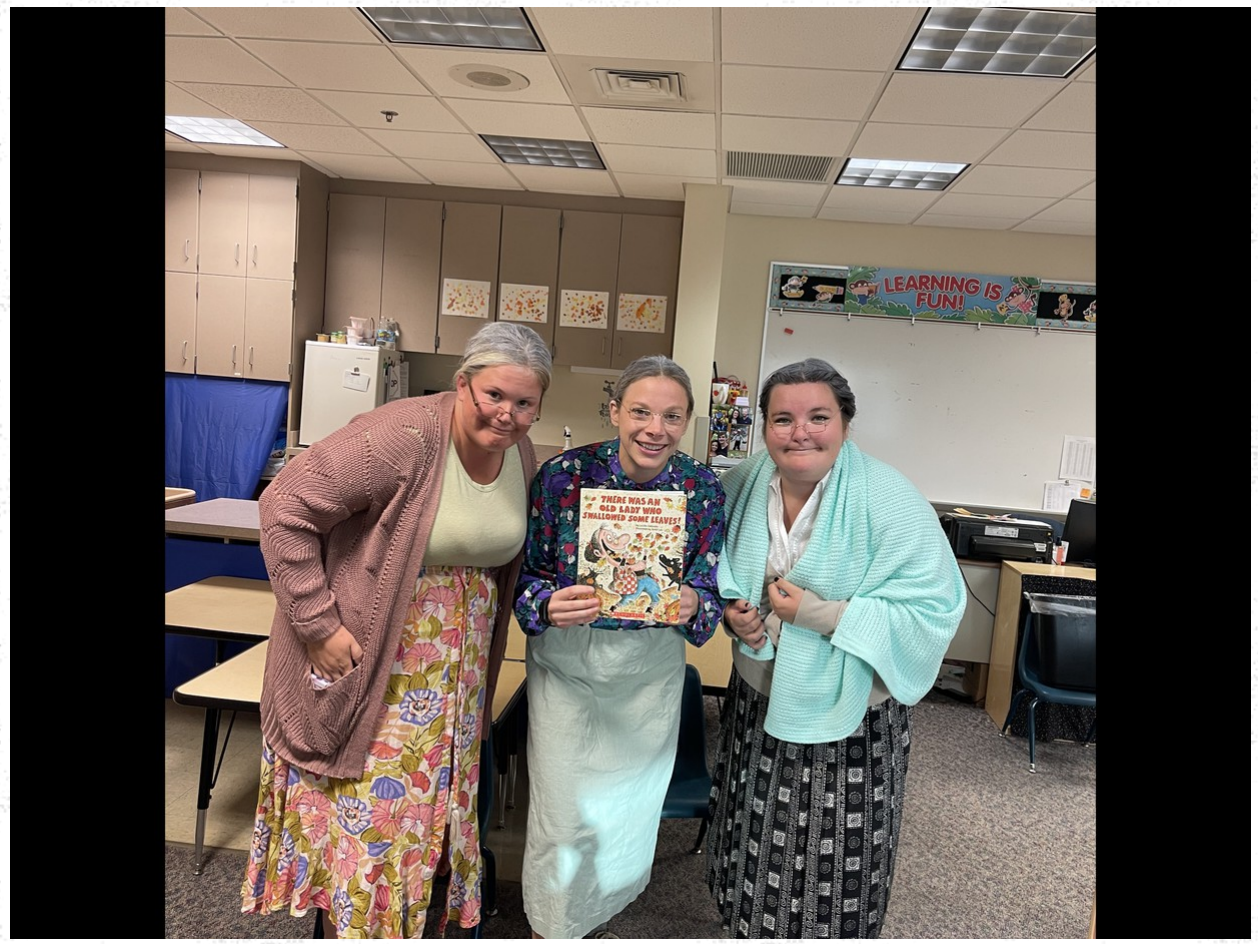

Here are general guidelines to use when determining if your child should stay home from school:

- Temperature over 100.0 degrees/any fever within the last 24 hours
- Vomiting within the past 24 hours
- Frequent diarrhea stools; 3 or more within the last 24 hours
- Difficulty breathing
- Open sores that are draining and oozing
- Persistent coughing
- White part of eye is red and there is draining or oozing
- Unexplained rash
- Child acts or looks sick

This is a good time to remind your child about good handwashing, coughing into their sleeve, and keeping their hands away from their mouth, nose and eyes.

If your child is going to be absent from school, please call the school the morning of their absence at 217-444-3500.

If you have any questions contact the school nurse, Mrs. High, at 444-3500 or 444-3546.
