*My name is Brent Lockhart and I am excited to introduce myself as the principal at Northeast Elementary Magnet School. I am committed to the District's mission to see that all students reach their fullest potential. I see it as my responsibility to support students and staff in any way to ensure that students learn in a safe, academically challenging environment. I was raised on a farm just north of Danville in Wellington, IL. I have a lovely wife named Margie, who also works for the District. I received my master's degree in 2022 from the University of Illinois. For the last three years, I was one of the assistant principals at Mark Denman Elementary School. I also taught music at Northeast Elementary Magnet School and Hoopeston Area Schools. I have loved working for the District for the last eight years and I look forward to meeting all of the Northeast families! Let's go Falcons!*
