#### Danville Viking Families:

To say this year is going very quickly is an understatement. Christmas break is in a few short weeks. I want to thank my wonderful staff and students for all we have accomplished so far, especially since we know nothing comes easy. I am very proud to be working with a wonderful team that cares about the welfare of every student. That is what the holiday season is all about. Helping others and being loving and kind to one another. As we all celebrate this season in many different ways, let us remember one thing and that is to spread LOVE wherever you go and in whatever you do!

These next months will be a very busy time for students and staff with academics, sports, extra-curriculars, music programs, concerts, and other festive events just around the corner. Please look over the enclosed calendar and join us for the many celebrations coming soon. Your support is what makes Danville High School students and staff successful. Thank you in advance.

I want to remind parents and students once again about the tutoring and credit recovery courses available to your child every Monday, Tuesday, and Thursday from 3:00-4:30p.m. We also provide transportation home. Every student is given this opportunity to bring up their grades, please take advantage of it. Please contact your child's school counselor for further information. Please refer to the back of this newsletter for the school counselors phone numbers.

The next Viking Roundtable will be held Tuesday, December 6, 2022, at 6:00p.m. It will be a virtual meeting led by my administrative staff due to my presence at an AVID Conference. Our very capable staff will lead you through some important discussions relevant to graduation, testing, and the registration process that will be coming up. This is a great opportunity for parents and students to get involved and share their thoughts and ideas with the administration.

I also want to share some of the great things that will be happening or have already started. The 72 Edition of the school building is being completely remodeled and progress has begun on the classrooms on the 3rd floor on the Fairchild side of the building. We will relocate 5 additional classrooms after Christmas break and work will start on the complete transformation and renovation of the library. The new library will be completed by the start of the next school year. Additionally, there will be all new science labs complete with all new equipment, as well as a new art room. Our staff and students have been amazing in this process, and I wanted to inform you so that we can continue to get things completed in a timely manner with little disruption to the learning environment.

Lastly, I am asking for parents to have a quick but meaningful conversation with your child about the importance of respecting their school and taking care of the building. We have had some school vandalism in restrooms lately and I need your support in this process. I am reaching out for your support in reminding our students the importance of respect for their school. Many of our parents are former students and understand the value associated with this building. Please share your own thoughts, and I appreciate your support.

Lastly, I just want to say that I wish each and every one, a Happy and Blessed Holiday Season. Stay safe and enjoy your family. There is nothing more important.

**"If no one has told you today that they love you, Ms. Cherry loves you!"**

Tracy Cherry, Principal

### ATTENTION: PARENTS OF STUDENTS WITH FOOD ALLERGIES

In order for your child to receive a food substitution at school, a food substitution form must be completed by your child's physician and returned to the school nurse. These forms were sent home by the nurses at the beginning of the school year to the parents of students with known allergies. There are still many students who do not have this form turned in, and the only way for food service to know to make a substitution is to have the form completed. It is imperative for the safety of your child that you get this form completed and turned in ASAP. If you need another copy of the form, please contact your school nurse.

### SENIORS —

**JUST IN...additional FAFSA Completion Night added to the schedule  
Tuesday, December 13, 5:30-7 AT MARK DENMAN in their Cafeteria!**

This will be the last FAFSA Night before the Early Grads are done. If you are a DHS Early Grad and need help filling out the FAFSA, don't miss this event!!!!

**Just a reminder:**

**FAFSA is a GRADUATION REQUIREMENT in the state of Illinois.**

Get yours filled out NOW before \$\$\$ runs out!

There will be FOOD! Please RSVP to Mrs. Baker in the Counselor's Office at 444-1530.

### JUNIORS and SENIORS —

Are you interested in taking any DACC courses next semester? Amie Musk (DACC Academic Advisor/Dual Student Liaison) is going to be at DHS December 8th and 14th to register students for Spring semester courses. If you are interested, please talk to your counselor ASAP to get an appointment scheduled! Did you know that District 118 pays for your DACC classes?!?! Take advantage of this opportunity and get in to see your School Counselor NOW!

### EARLY GRADUATES —

Early Grads that are attending DACC next semester will be going out to DACC December 7th for a Discover DACC Day. Students will get a tour, meet with an advisor to get registered for classes, have lunch, get help with Financial Aid, and hear about other helpful services DACC has to offer. Early grads: make sure you get permission slips and all other paperwork returned to your counselor by December 1st!

## DANVILLE ADVOCATES

The Danville Illinois Chapter of AMBUCS sponsors the Danville Advocates. In the past there have been between 15-20 general education student members that are Advocates. During the last 2 years the club has been restricted in activities but now we are at full capacity again.

The Danville High School Advocates/Teen AMBUCS Club promotes friendships through all activities. The activities give opportunities for regular education students to meet and become friends with students with disabilities at Danville High School. As the students come to know each other friendships develop naturally. On a daily basis, one can see Danville Advocates walking to class, sitting at a lunch table, working in the classrooms or just saying "hi" to their friends with a disability. The students in Ms. Fraser's and Miss Spicer's classes have learned many things from the student Advocates, but just as important are the things that the Advocates have learned from their new friends. Accepting differences and encouraging independence is an important part of being an Advocate.

Advocates perform community service projects which include, helping at the AMBUCS Adult and Children Christmas Parties and Summer Camp, a food drive at Thanksgiving and making Valentines for the VA Hospital and local nursing homes.

Some of the club activities are going bowling, to movies, parks, picnics, pizza parties, holiday parties and attending school athletic events and plays. The Advocates host a Christmas Party each December and purchase gifts for the students with a disability. Advocates work at the Danville AMBUCS Homeshow selling pop and popcorn to raise money to support club activities.

All students interested in joining this club need to complete an application form which can be obtained from club sponsors in G109 or G103. The students in the club will take the lessons they have learned as an Advocate into their young adult lives and continue to be role models for others.

## AFTER-SCHOOL TUTORING

After-school tutoring has started for the fall semester. Please see the schedule below for a list of teachers and subjects. Tutoring will 3:15-4:15pm on specific days. A student does not need to be in the teacher's class listed on this schedule to receive tutoring services. Bus transportation is available for students needing transportation after tutoring ends each day. Students that are interested in tutoring should see their counselor to sign up.

## SPEECH TEAM Season Gets Started

The Speech Team got off to a strong start at the Normal West tournament on November 12th. Junior Isaac Carter placed 3rd in Varsity Humorous Interpretation and Sophomore Karalynn Leik (in her 1st tournament) received numerous positive comments on her Prose reading. The rest of the season includes tournaments at:

- Bloomington High School, December 3
- Normal Community High School, December 12
- Eureka High School, January 14
- Mahomet-Seymour High School, January 21
- Heyworth High School, January 28

These competitions will prepare the team for the IHSA state series in February. Interested in Speech Team? See Mr. Kortas in 245 or Miss Lester in 125 for

## JROTC NEWS

November 5th, the JROTC cadets held their formal ball that was a hit with both senior cadets and freshman, everyone who attended, had an amazing time. Our guest speaker, Timothy Smith, gave an outstanding speech, an excellent reminder to what the class is about and a motivator to the new cadets just starting out.

On Homecoming, October 7th, as the National Anthem played our colorguard held the colors in contribution. It was an overall amazing day hosted by the school, that the ROTC was more than happy to participate in.

During September 5th, the JROTC Cadets marched in the Labor Day Parade and won First Place! The Color Guard led the way, while the rest of the underclassmen marched in formation. The incoming freshman trailed behind a WWII jeep, provided by the Danville War Museum, and through candy to the crowd. Below, the battalion celebrating our first place win from the Labor Day Parade during our battalion formation.
